Product Description

OEM Windows 10 Professional Edition 64 Bit OEM PC DSP in German Online Activation

Product Description:

Windows Pro 10 64Bit German 1pack DSP DVD. Windows 10 is so familiar and easy to use, you'll feel like an expert. The Start Menu is back in an expanded form, plus we'll bring over your pinned apps and favorites so they're ready and waiting for you. It starts up and resumes fast, has more built-in security to help keep you safe, and is designed to work with software and hardware you already have. Windows 10 comes with Microsoft Edge, an all-new browser that's built to give you a better web experience. Write2 or type notes directly on webpages and share them with others, read online articles free of distraction, and save your favorite reads for later access. And with Cortana3 enabled, you get instant access to key actions-like making reservations or reading reviews-without leaving the page you're on. Easily snap up to four apps in place and see all open tasks in a single view. You can even create virtual desktops when you need more space or want to group things by project. Windows 10 enables your apps to look and work great in all modes, on all devices. On 2-in-1 devices, your screen can be optimized to work with touch or keyboard and mouse.

Product Features:

- Join your Domain: You can connect to your business or school Domain or Azure Active Directory to use network files, servers, printers, and more.
- Enhanced encryption: Get additional security with BitLocker to help protect your data with encryption and security management.
- Remote log-in: Windows 10 enables you to log in with Remote Desktop to sign in and use your Pro PC while at home or on the road.
- Virtual machines: Create and run virtual machines with Hyper-V so you can run more than one operating system at the same time on the same PC.
- Your apps in the Store: Windows 10 lets you create your own private app section in the Windows Store for convenient access to company applications.
