## Product Description

### Home Microsoft Windows 10 Operating System 32 & 64- bit USB Flash Drive Retail box

#### Description

Windows gives you the best experience for starting fast and getting things done

3D in Windows 10 gives everyone the ability to produce 3D objects with speed and ease

Windows Mixed Reality provides the thrill of VR plus phenomenal sense of presence

PC gaming is better and more social than ever on Windows 10, with games in 4K, Game Mode, and Mixer game broadcasting

Windows Hello is the password-free sign-in that gives you the fastest, most secure way to unlock your Windows devices

Windows 10 delivers comprehensive protection – including antivirus, firewall, internet protections, and more

#### Product Features

##### Take notes in the new Microsoft Edge web browser

Draw, highlight, or write directly on a web page via a touchscreen or a mouse, then share your notes with others.

##### Customize the Start menu

Choose to display your most used or recently added apps, specific folders, or system settings.

##### Gain access to your device by using your fingerprint, face or iris

Select Windows 10 devices with Windows Hello will recognize your presence, unlocking without the need for a password. (Requires fingerprint reader, or IR or biometric sensor.)

##### Screens adapt to fit your devices

Onscreen orientation changes shape to allow for easy navigation, and apps scale to different-sized displays.

##### Play Xbox One games on Windows 10

Stream your Xbox One games to a Windows 10 PC, laptop, or tablet. Play games optimized for Windows 10, or record and share gaming moments with the built-in Game DVR. (Broadband Internet required.)

##### Easily multitask on one screen

Snap up to four apps to the screen, or create virtual desktops to get more space to work with the items you need.

##### Receive help from a personal digital assistant

Cortana assists across your Windows 10 devices, setting reminders, helping to write emails, or hosting chats with friends and family members. (Cortana experience may vary by region and device.)

#### Footnotes

[1] Hardware-dependent

[2] App experiences may vary.

[3] Windows Hello requires specialized hardware, including fingerprint reader, illuminated IR sensor or other biometric sensors.

[4] Broadband Internet required for some features (ISP fees apply). Xbox Live features only available with supported games in Xbox Live-supported countries. Limited number of games available in 2015 that support cross-device play; additional games to follow. Stream to one device at a time; streaming with multiplayer from Xbox One requires home network connection and Xbox Live Gold membership (sold separately); Gold also required for multiplayer play on Xbox One. DirectX 12 only available with supported games and graphics chips. Game DVR only available with supported hardware. Xbox One, PC/Tablet and Phone versions of games all sold separately.

[5] Cortana available in select markets at launch, experience may vary by region and device.
