- Supply Ability: 10000 pieces / week

Product Specification

- Condition: Genuine Sealed
- Media: USB 3.0
- Activation Way: Online
- Language: Korean Or Others
- Package: Retail Box
- Installation Data: In Korean
- Highlight: windows 10 pro 64 bit retail , windows 10 pro product key

Product Description

MS Windows 10 Pro USB Retail Box Korean Version Key 32 /64 Bit Genuine Sealed

Overview

The Microsoft Windows 10 Pro Operating System comprises an expanded Start Menu which displays frequently used apps and important data, as well as allows you to pin your favourite apps, for easy access. Using the Cortana Digital Personal Assistant, you can receive reminders and acquire assistance in accomplishing tasks in an organized manner. With the Microsoft Edge web browser, you can enjoy reading articles online, and type and share notes directly on webpages. Its BitLocker feature secures data on hard drives and storage devices.

Features:

USB flash drive

The web that works the way you do

Multi-doing helps you get to "done" faster

Interact with your device however you want

Flexibility to work how you want

보다 안전한 환경에서 일하게 해줍니다

모던 PC는 기존의 과거 PC가 제공하지 못했던 보안 프로그램 구동이 가능한 새 하드웨어를 통해 현대사회의 모든 보안 위협으로부터 안전하게 디바이스를 보호합니다.

과거 PC

모던 PC

관리가 편해집니다

4년이 넘는 오래된 PC는 새로운 PC에 비해 평균적으로 1.5배나 높은 수리 및 유지비용이 들어갑니다. 관리 비용으로 1년에 총 \$426달러가 추가적으로 발생하는 셈입니다.

과거 PC

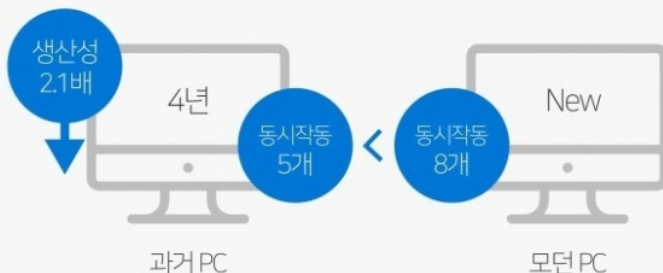

1.5배
수리 &
유지보수비용

모던 PC

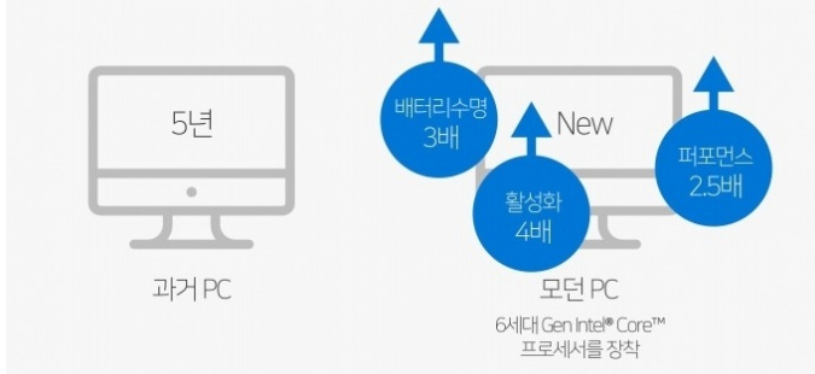

오래된 PC로 인해 발생하는 비용이 생각보다 많습니다.

4년 이상 된 PC는 시간당 생산성을 2.1배 이상 떨어뜨리고, 생산성 하락 비용으로 \$1,260가 발생합니다. 오래된 PC가 퍼포먼스를 유지하면서 동시에 작동시킬 수 있는 어플리케이션이 5개 정도에 불과한 것에 비해, 새로운 PC는 아주 쉽게 8개 이상의 어플리케이션을 작동시킬 수 있습니다.

새로운 디바이스가 더 빠르고 효율적입니다

6세대 Gen Intel® Core™ 프로세서를 장착한 Windows 10 디바이스는 5년 사용한 노트북과 비교할 때 2.5배 나은 퍼포먼스, 3배 더 길어진 배터리 수명, 그리고 절전모드로부터 활성화 되는 시간이 4배 빨라집니다.

Windows 10 pro

Right for business

Join your Domain. You can connect to your business or school Domain or Azure Active Directory to use network files, servers, printer and more.

Enhanced encryption. Get additional security with BitLocker to help protect your data with encryption and security management.

Remote log-in. Windows 10 enables you to log in with Remote Desktop to sign in and use your Pro PC while at home or on the road.

Virtual machines. Create and run virtual machines with Hyper-V so you can run more than one operating system at the same time on the same PC.

Your apps in the Store. Windows 10 lets you create your own private app section in the Windows Store for convenient access to company applications

It just works

Windows 10 combines the Windows you already know and adds great improvements you'll love. Technologies like InstantGo¹ let you boot up and resume quickly. And Windows 10 has more built-in security features than ever to help protect against malicious software.

Multi-doing

Multi-task like a master with the ability to snap four things on the screen at once. Screen getting crowded? Create virtual desktops to get more space and work with just the items you want. Plus, all your notifications and key settings are collected on one easy-to-reach screen.

Microsoft Edge

It's the all-new browser designed to make the web work the way you do. Write or type directly on webpages and share your mark-ups with others. You'll like the reading view that clears away distractions. There's also an improved address bar to help you find things faster.

Continuum

The best screen is always the one you're on because Windows 10 optimizes your experience for your activity and device. Onscreen features adapt for easy navigation and apps scale smoothly from the smallest to the largest displays.

Uniquely yours

Your Windows 10 device recognizes you and acknowledges your presence in truly personal ways. With Windows Hello, your device greets you by name and lights up in recognition, waving you through log-in and freeing you from having to remember or type in a password.

Gaming and Xbox

Play your Xbox One games on your Windows 10 PC, laptop or tablet. Use the Game DVR feature to record your greatest hero moves and send to your friends instantly, without leaving your game.

Cortana

Cortana is your truly personal digital assistant who works across all your Windows 10 devices to help you get things done. By learning more about you over time, Cortana becomes more useful every day, staying transparent and keeping your trust.
