MS Office 2013 Home and Student OEM Product Key, 1 PC, 32-/64-Bit All Languages

Product Description

The 2013 versions of familiar Office applications such as Word, Excel, and PowerPoint include new features that help you create, communicate and work efficiently from virtually anywhere. In addition to updating the traditional Office suites, Microsoft has developed brand new subscription versions of Office, specifically designed around the way customers use Office. Each new subscription offer will include the 2013 versions of the Office applications, for example Word, Excel and PowerPoint, plus cloud services such as Skype world minutes and online storage with SkyDrive.

Please note: This item does not contain a disc; it is a product key card that requires a download from office.com. See steps involved below:

1 . Once you have placed your order and received your product key card in the mail, locate your product key on the backside of the included card.
