Product Description

Microsoft Office 2016 Standard DVD Retail Pack Office 2016 Pro Key Activation Online

Description:

Office 2016 is designed to help you create and organize faster with time-saving features, a new modern look, and built-in collaboration tools. Plus, you can save your documents in the cloud on OneDrive and access them from anywhere.

Features:

| | | |
|---|------------------------------|---|
|  | Word | Create and share professional-looking documents with state-of-the-art editing, reviewing, and sharing tools. The new Design tab provides quick access to features, and Smart Lookups shows relevant contextual information from the web directly inside Word. |
|  | Excel | Analyze and visualize your data in new and intuitive ways with a fresh user interface plus your favorite keyboard shortcuts. Leverage features like Analysis Toolpak, Slicers, and Formula Builder to save time, so you can focus on insights. |
|  | PowerPoint | Create, collaborate, and effectively present your ideas with new slide transitions and an improved Animations task pane. Threaded comments alongside your slides help you incorporate feedback into your presentations. |
|  | OneNote | It's your very own digital notebook, so you can keep notes, ideas, web pages, photos, even audio and video all in one place. Whether you're at home, in the office, or on the move, you can take it all with you wherever you go while sharing and collaborating with others. |
|  | Your stuff anytime, anywhere | Sign in to Office 2016 and use OneDrive to easily access your recent documents on any device with seamless integration. |

What's the difference between Office 365 plans and Office 2016 suites?

Office 365 plans include the complete suite of Office applications, plus other services that are enabled over the Internet, including extra cloud storage with OneDrive and Skype minutes for home use. With Office 365 you get the full, installed Office experience on PCs, Macs, tablets (including Windows, iPad, and Android) and smartphones. Office 365 plans are available as a monthly or annual subscription. With Office 365, upgrades are always included with your subscription.

Office 2016 suites, including Office Home & Student and Home & Business, include applications such as Word, Excel, PowerPoint, and OneNote; they are available as a one-time purchase for use on a single PC or Mac. The applications are not automatically updated; to get the latest version, you must purchase Office again when the new version becomes available.
